## **GRANTS AND DONATION POLICY**

Gooderstone Parish Council from time to time may make awards to the village or other organisations for projects beneficial to the residents

To apply, please write to the chairman or the clerk with details of your organisation, the purpose of the grant, who will benefit and how much you are requesting, and finally when the grant is needed.

The grants and donation scheme are available all year round, but please apply well in advance if your project is time sensitive, as the Parish Council meetings are normally held every two months.
